

JIYUGAOKA KUMANO SHRINE FESTIVAL

Invitation to International Mikoshi Festival

We, Action Committee for International Mikoshi Festival of Jiyugaoka, are having the 15th “Kokusai-shinzen Mikoshi”- International Mikoshi Festival. This event will be a good opportunity to start promoting the international friendship toward the Rugby World Cup in 2019 and the next year’s Tokyo Olympics/ Paralympics, We believe that this festival will be very important for the friendship with many people of the world. In this event of last year, 45 participants from 16 countries shouldered our Mikoshi. We will be wearing original “Hanten” jackets and specially made “Tenugui”-Japanese head towels. This will be a great chance for foreigners to experience a traditional Japanese occasion and to make friends with people in Jiyugaoka.
